

The Birth and Evolution of the Soul

By Annie Besant

2019. Paper Back. Condition: New. 64 During the first and second Races of man this physical body was built up by the action of what are called nature-spirits, who made this outer clothing of man, the tabernacle of flesh, as it is sometimes entitled. Out of the first Race evolved the second, and out of the second evolved the third. No break, nothing that would be called a new creation, but definite and sequential evolution. The materials used in these bodies had been worked up in previous ages through mineral and vegetable and animal, and so had taken on, as far as their atoms were concerned, an internal differentiation, which is of enormous importance when they enter into the body of the higher animals and of man. The author has emphasized on the lectures she gave might better perhaps be described as one lecture in two parts, for I am really going to try and give you in the two a connected tracing of the progress of the soul. Annie Besant nee Wood was born on 1st October 1847 and was Died on 20th September 1933. In 1867 Annie at the age of 20 got married Frank Besant, a clergyman...
